Committee of the Music Fair of Japan 2007, Embassy of Japan

# Music Fair of Japan 2007

The Embassy of Japan, the Consulate - General of Japan and the Organising Committee are very proud to present the "Music Fair of Japan 2007". The Fair this year follows the great success of the "Music Fair of Japan 2005", and marks the 55th anniversary of diplomatic relations between Japan and New Zealand. It is our aim to further enhance the bonds between the countries through classical and contemporary music, performed by three of Japan's foremost performing artists. The organisers would like to acknowledge that without the support of many Japanese enterprises and institutions, and their New Zealand counterparts, this Fair would not have been possible. We hope that you thoroughly enjoy this series of uplifting performances.
